If any dancer is limited to the number of competition groups they can partake in they need to notify Heather/Makinze by **Wednesday, June 22nd**, as we plan to organize the groups next week. If we are notified any later than the given deadline, then you will be charged a \$100.00 fee/dance due to the amount of time and organizing that goes into planning these groups as well as the fact that we plan to begin choreography this summer.

### **What to expect with competition:**

Cost: \$450.00/routine (includes, costume, rehearsal time, choreography, and 3 competition registration fees).

Additional Classes: ALL competition dancers (2nd grade and up) are REQUIRED to participate in ballet technique. Cost is \$12.00/month. As well students must participate in an additional, recreational class for every competition group they are placed in. For example: your dancer is grouped in a hip hop, jazz and lyrical competition group. They must also sign up for a recreational hip hop dance class, ballet technique, and their regular, recreational combo class.

Competitions: we will notify you with these dates and details as soon as all the information is set.

Jessica Starr Workshop: It is **REQUIRED** that all competition dancers sign up and participate in the Jessica Starr Workshop. Contact Heather/Makinze to sign up. This year's workshop is Saturday, August 20th and Sunday, August 21st at Fusion Dance: Omaha. Cost is \$170.00, made payable to Fusion Dance. Payment is due as soon as possible, the latest we will accept payment is **August 1st**. A block of hotel rooms has been set aside if you choose to spend the night in Omaha. The hotel is the Courtyard by Marriott La Vista. To book please call 402.339.4900. Use code FUSP. See below for the workshop schedule.
