WhatsApp All parents need to download this free app. This is our main source of communication throughout the season. Once you have downloaded the app we will add you to the Fusion Dance Competition Group. Please be sure to do this as soon as possible!

If any dancer is limited to the number of competition groups they can partake in, they need to notify Heather/Makinze by **Friday, June 30th**, as we plan to organize the groups soon. If we are notified any later than the given deadline, then you will be charged a \$100.00 fee/dance due to the amount of time and organizing that goes into planning these groups. Once the groups are decided they are set.

What to expect with competition:

Cost: \$450.00/routine (includes costume, rehearsal time, choreography, and 3 competition registration fees).

Additional Classes: ALL competition dancers are REQUIRED to participate in ballet technique. Cost is \$12.00/month. As well students must participate in an additional, recreational class for every competition group they are placed in. For example: your dancer is grouped in a hip hop, jazz and lyrical competition group. They must also sign up for a recreational hip hop dance class, ballet technique and their regular, recreational combo class.

Competitions: Dates and details to come.

MUSE Workshop: It is REQUIRED that all competition dancers sign up and participate in the MUSE Workshop. This year's workshop is Saturday, August 19th and Sunday, August 20th at Fusion Dance: Omaha. Cost is \$170.00, made payable to Fusion Dance. Payment is due as soon as possible, the latest we will accept payment is **August 1st**. Please send payment to Fusion Dance PO Box 1252, Carroll, IA 51401. More information to come soon regarding a block of rooms and the workshop schedule.

More information will be given throughout the summer regarding groups, choreography, etc. Stay tuned! We are excited for a new competition season! Enjoy your summer!
