2017 Talent on Parade Schedule **Iowa Events Center, HyVee Hall**

- Dancers need to be at the venue an hour and a half before they perform (the competition may run up to an hour early).
- Dancers need to be back stage 10 songs before.
- Dancers are to wear their competition jackets for awards. Parents please enforce this!
- We will announce on the WhatsApp what dressing room we are in that day.
- Photography and videography is STRICTLY prohibited!

The show is large enough again this year that a Thursday morning start time is necessary. They have put all the solos, duos and trios during school hours to attempt to affect as few people as possible from missing school. Those unwilling to attend due to school obligations will receive a full refund. You need to notify Heather or Kinze by 8pm on Tuesday, March 14th for those scheduled during school hours if you choose to not compete.

TOP APP: Prior to attending the show we encourage you to download the TOP App to your smartphone. With it you will be able to access the Act Tracker, a great way to know in real time what act is currently on the stage and the next few acts scheduled to come up. You will also find links to live streaming video, targeted notifications and more! Search "Talent on Parade" in the App Store or Google Play to download.
